

Welcome To The Club

BEYOND THE CLUB

Activities

There is plenty of activity at the club level to keep members and families busy with 4-H. But, every 4-H family should be aware of all that 4-H has to offer beyond the club and take advantage of those opportunities whenever they can. Activities beyond the club can occur at an interclub, district, regional or provincial level.

District

District Councils provide opportunities for members to develop project and personal skills. They may organize tours, learning days, workshops, shows, clinics or other fun events. These district opportunities vary by district.

Regional

Regional Councils provide opportunities for members to develop project and personal skills. They may organize summer or winter programs and camps, learning days, workshops, shows, competitions as well as other fun events. These regional opportunities vary by region.

Provincial

A variety of provincial programs await all 4-H members looking to have fun, make friends and venture down a path of discovery. Check out the Program's Tab to see what program to register for next!

Check out your club's Program Plan plus the online regional and provincial calendars at www.4h.ab.ca to see what activities beyond the club await!

Travel & Exchange

Looking for adventure? Every year 4-H members hit the road, touring across the country, North America, and even over an ocean or two. With travel comes perspective, with perspective comes wisdom and with wisdom comes confidence, introspection and curiosity. All of which are attributes that 4-H aims to grow in our members.

For a complete listing of the travel and exchange opportunities 4-H Alberta has to offer, visit www.4h.ab.ca/travel_exchanges.html

Awards

4-H Alberta recognizes our members' hard work and achievements through our own award programs. From the Awards of Excellence to the Premier's Award to Ambassadorships to travel and development opportunities – 4-H Alberta's awards are worth the effort!

To learn more about 4-H Alberta awards visit www.4h.ab.ca/About/awards.html

Scholarships

4-H members and alumni pursuing post-secondary may be awarded scholarship or bursary dollars to help ease the financial burden associated with working towards furthering their education. By simply completing an online application, members and alumni will be considered for the district, region and provincial scholarships they are eligible for. Members and alumni have the potential to realize up to \$3,000 per year!

To find out more about scholarship, bursaries and grants offered through 4-H Alberta visit www.4h.ab.ca/About/scholarships.html

Resources

Key Leaders

These experienced volunteer leaders are a resource selected by your District Council to be a resource for the clubs, leaders and families in their district. Key Leaders may be available to present workshops, answer questions or help to organize a district event.

Key Members

These senior members have been selected by their District Council to act as a resource for members in the district. Like Key Leaders, they may be able to present workshops, answer questions or help to organize a district event.

4-H Regional Specialists

These 4-H Section staff are positioned throughout the province, working with each of the seven regions. Their job is to provide support to and consult with the 4-H members, leaders, families and clubs in their region. Regional Specialists also provide training, coaching and counselling to these parties and are extremely knowledgeable in all things 4-H! Watch for their eBlasts in the email inbox that you provided to 4-H Alberta at the time of Club Registration.

4-H Canada

4-H Canada provides some great conferences and exchanges that bring 4-H members from across the entire nation together, in addition to providing scholarships and grants.

Check out www.4-h-canada.ca to see more details on 4-H opportunities at the national level of 4-H in Canada.
