Wood you be my friend?
It's plane, I don't want to be by my shelf!
If you think this is funny, then I nailed it!

Happy Valentine's Day!

Maybe you think I'm corny but it seeds to me
that you are a wonderful human bean!
I hope we'll be friends lentil the end of thyme!
On Valentine's Day, lettuce turnip the beet and party!

Happy Valentine's Day!

Sew, I don't mean to needle you and it might seam like
a pattern but I'll ask anyway... Wool you be my Valentine?

We could be a tight knit pair, even keep each other
in stitches. Crochet? I'm hooked.
(I hope I don't seamstressed!)

Happy Valentine's Day!

Friend, I wouldn't trade our friendship for anything!
I'm drawn to you! You have all the write moves!
Don't you agree, we have chemistry?
Life without you does not compute.
I'd never tech you for granted.
Maybe I am being overly dramatic.
But, I've got my ion you!
Well, I'd better compose myself.
I don't want to overreact!

Happy Valentine's Day!

Friend, I fernly beleaf, come hill or high water,
everything will be okay if we stick together!
Let's aim for it. Together, we're oarsome!
Canoe agree? We're pine together!
As long as we don't go against the green!
May the forest be with you!

Happy Valentine's Day!
