### CEO Report

For July's update, I want to share highlights from June, as well as a few items we are working towards at 4-H Alberta. In early June, your 4-H Alberta Board hosted their first AGM as a fully elected board. This event was our second cycle, making things a little easier as we continue to improve our processes while making community-driven adjustments each year. Seeking progress over perfection is the goal of our team, knowing that incremental improvement and growth will eventually get us to where we want and need to be.

CEO   
Report

Later in June, I had the privilege to meet Stanford F. Blade, PhD, P. Ag and Cynthia Strawson. Professor Stanford is Dean of Faculty of Agricultural, Life & Environmental Sciences at the University of Alberta and Cynthia serves as the assistant dean. I was able to have a very informative discussion about the current and future trends they are seeing in their department and in agriculture. Interestingly, over half of their students are from urban backgrounds and often start with companion animals then move to large animal care. Their largest program is food and nutrition and they have had a speaking competition since 1931! As you can see, there are plenty of new opportunities to grow 4-H Alberta with U of A as well as our other partnering post-secondary institutions. I look forward to seeing how this exciting partnership develops!

To all of you attending summer camps, I hope you have an excellent experience at the 4-H Centre or at our other locations across the province.

Thank you for reading and have a great July!

Kurt Kinnear  
CEO 4-H AB

## Screen 4 Green

Adults involved in the delivery and coordination of 4-H Alberta programs must complete a screening process to help ensure the safety of our youth. All 4-H Alberta staff, leaders, and volunteers complete the screening process, including board members. Screening may be completed at any time in just a few short steps.

1. Contact three individuals who have known you for at least three years to serve as references (re-screening leaders require only one reference). References cannot be family members. Friends and 4-H volunteers can serve as references if they have known you for at least three years. References will receive an automated email from 4-H Alberta that includes the link to a secure form.
2. Log in to 4-H Alberta's [online registration system](#) with your username and password and complete the leader application form. The form requires the email address(es) for your reference(s), so be sure to have those on hand. Remember to download the Police Check letter from within the application.
3. Contact your local police detachment to acquire a Police Check that must include a Vulnerable Sector Check. 4-H does not accept Criminal Record Checks from private providers. The letter you need for the Check is available for download from the online screening application form. Forgot to download? Contact your Area Coordinator or [registrar@4hab.com](mailto:registrar@4hab.com) for a copy. Once you have the Police Check, scan and email to Bernadette at [leaderscreening@4hab.com](mailto:leaderscreening@4hab.com).

...taking my 4-H volunteer letter to get my Police Check today...can't wait to be a 4-H volunteer!

4. Log in to your 4-H Alberta profile to check your screening progress (click "Screening" on your dashboard or "Leader Screening Progress" on your profile's left sidebar). If necessary, remind your references to respond, or send the reference link to another.

As reviews and approvals of the application and each reference are completed, you are sent automated emails advising of this and reminding you to ensure all

components have been completed. Once your screening is approved, you will receive a confirmation email from 4-H Alberta.

Email [leaderscreening@4hab.com](mailto:leaderscreening@4hab.com) or call Bernadette at 780-898-3037 for assistance with screening.

## Required Training for 4-H Leaders

All 4-H leaders, staff and board members are required to complete two training programs as outlined below. While both 4-H leaders and volunteers are required to complete screening and both *may* complete the required training, the training is mandatory for all volunteers serving as leaders.

Youth Safety at 4-H in Canada is delivered via a video, found at (<https://www.youtube.com/watch?v=rCI53HaQBX4>) followed by a quiz. Find information, the manual, and FAQs here: <https://www.4hab.com/youth-safety-at-4-h-in-canada/>. After viewing the video, go back to it and click on the "show More" button to access the quiz. Your completed quiz is automatically forwarded to the 4-H staff who will enter it to your profile.

4-H Canada's Abuse Prevention and Duty to Report training is delivered online and via download. This training includes both the online Commit to Kids Training and the Duty to Report document (Remember to download and review this document). You can find more information, FAQs and instructions for accessing the training here: <https://www.4hab.com/commit-to-kids/>. You will need to create a profile with 4-H Canada Learns as indicated on the instructions.

If you have questions or need help, don't hesitate to contact your regional Area Coordinator or email [registrar@4hab.com](mailto:registrar@4hab.com) for guidance.
