Personal Updates

Sophia

Hello Everyone! I hope you all have been enjoying the warm weather and are ready for spring! Many exciting things have been happening over the past few months in 4-H and here are some of my highlights! One of my favorite highlights was being able to MC the West Central Regional communications event where I got to hear many Great speakers and got to announce who was going to represent our district at Provincials. Another highlight from the past few months was being asked to go and listen to reasons at the Camrose District Multi-species judging competition, It was so much fun being able to meet new and old kids from different parts of our region. It has been a blast and I can't wait to see what is coming up in the future!

Charlotte

Hello everyone! Since our last newsletter I've been keeping busy with school and planning lots of activities at the club level. Just recently I got the chance to do a judging workshop for the Camrose District's Judging competition. I also had the opportunity to be the official judge for their sheep class in the afternoon. This was my first time as an official judge so it was super exciting. The other Ambassadors and myself have already been asked to help out with some summer shows which I'm really looking forward to! Don't feel shy to ask us for anything you might need help with!

Hope you all have a great spring and look forward to meeting some of you this summer!

Well it's finally officially spring.. and you know what that means? Summer is right around the corner!! And we all know what summer means... so many fun programs that 4H offers to everyone of all ages! From summer camp to the different shows around Alberta, the opportunities seem basically endless. I am here to inform all you fantastic kids about everything fun that is coming your way this summer that you definitely do not want to miss out on. Even though I am in Wyoming, I am still plenty up to date on all the things happening back home in Alberta! Registration, if not already, will be opening up right away so us Ambassadors want to make sure you don't miss out on your chance to register for these fun events.

Grace

Hi everyone! I hope each of you is having a wonderful start to the spring season. Since the last newsletter, many fun and exciting events have happened in our Region, so here is an update about what I have been up to. In February, I attended the Regional Multi-Species Judging Competition, which was a little out of my comfort zone, but I learned so much, and it was a fun experience! In March, I was able to use everything I learned from Regional Multi-Species Judging and put it into helping plan the Camrose District Multi-Species Judging Workshop and Competition. I have also been keeping busy with public speaking competitions, whether it be competing or judging, and I have also attended multiple SALTT committee meetings. It has been a great couple of months, and I am looking forward to all the events to come!

Social Media

Recently, we have started an Instagram page to create more connections within our region. We intend to post and promote events happening in our region to keep members informed about what is coming up, get them excited about all the amazing programs as well as keep you all informed about what we have been up to!

The username for our account is → [4hwestcentral_ambassadors](#). We hope you will follow us to stay updated and connect within the region. If you would like us to promote anything about your club like auctions, shows or fundraisers don't be afraid to contact us either on Instagram or by email at westcentral.ambassadors@4hab.com

What Our Region Has Been Up To

Our region has been up to lots since our last newsletter.

Public Speaking and Presentations at the club, zone, district, and regional levels have wrapped up. Great job to everyone who competed at all levels and good luck to the seniors from our region heading on to the provincial level.

Provincial Communications is happening on April 15th in Sherwood park for anyone interested in attending! Our region also had **Regional Judging** in March. There were LOTS of awesome classes.

Coming up a lot of districts and clubs are just moving into their judging competitions so if you want any help feel free to contact us!

In March our Region's alumni also put together and helped chaperon the **Senior Ski Trip** to Panorama which seemed like a blast!

Now we are moving into the most exciting part of the year: **Achievement Days, interclub, district, and regional show season!**

Don't forget that we are available and would love to help out with anything you might need.

What We Have To Offer!

As Many of you probably know Achievements days, district and regional shows are approaching fast, We would just like to remind everyone that we are here to help with anything and everything. We love being able to go out and meet new and old 4-H members from around the Region so **if you have an achievement day or show you would like us to attend please do not be afraid to email us or DM us on Instagram.** We can't promise all of us will be able to make it out but we will try our best! If there is anything you would like us to know about or attend, please do not feel afraid to ask! We are always willing!

Until Next Time!

Well that's a wrap for our spring newsletter! We hope that everyone has an amazing spring and good luck in all of your achievements days!

Here are some highlights from the newsletter,

- Make sure to check out our Social Media Page!
- Get signed up for any provincial or regional activities that are being put on! It is bound to be a blast!
- Make sure to contact us about any help you may need!

See You Soon
