Message From the CEO

Dear 4-H Alberta Community,

I am thrilled to announce the beginning of our new club year in 2023! It is with great excitement that we embark on this year's journey together. I would like to extend my heartfelt gratitude to all the volunteers who have dedicated their time and effort to support our youth members across Alberta. Your unwavering commitment and passion for our youth is something to be proud of and is truly appreciated.

As we gear up for the new year, I am pleased to let you know that a full overview of the entire year of provincial programs will be provided to each club supplies order. This overview will serve as a valuable resource to our parents, enabling everyone to plan and prepare for the upcoming provincial events and activities.

Additionally, I would like to encourage our senior members to [register for the Senior Symposium, Project in a Weekend](#), or [apply for the Premier's Award](#) by October 10th. These are wonderful opportunities not to be missed.

With the collective efforts of our nearly 3,000 dedicated volunteers across Alberta, I am confident that we will have an excellent year ahead. Let us continue to work together, inspire one another, and create lasting memories for our youth. Thank you once again for your invaluable support.

Wishing our community a successful and fulfilling club year!

4-H Alberta Financial Assistance Program

It's back for the 2023/2024 Club Year!

Thanks to the generosity of our community, the McCall MacBain Foundation, and UFA the program is back and able to help even more youth than last year!

The Financial Assistance Program will return for the 2023/ 2024 Club Year!

In late 2022, 4-H Alberta secured initial funding from the McCall MacBain Foundation to roll out a financial assistance pilot to 4-H Members who may not have the financial means to participate in 4-H Alberta but would love to join.

Due to the high demand on the pilot program and thanks to the generosity of our community, the McCall MacBain Foundation, as well as UFA, we are excited to announce that we will once again be offering the **Financial Assistance Program for the 2023/2024 Club year and will be able to increase the number of youth we can serve!**

Our goal is to ensure that those who are in financial need are able to access provincial programs offered by 4-H Alberta.

Any Member(s) who are considering opting out or may not be in a financial position to join the 4-H Alberta program due to financial constraints/ limited financial resources, are strongly encouraged to apply.

Approved financial assistance recipients may either prepay their provincial club registration fees and then get reimbursed (to protect their anonymity), or if approved financial assistance recipients do not have the funds to pay their club registration fees in advance, we ask them to connect with the Fund Development Team at development@4hab.com to explore a suitable solution.

Please note that Clubs are not responsible to carry the unpaid dues since the review and approval of financial assistance is completed on an ongoing basis until available funding has been depleted or the application closes.

"Traditions of giving thanks long predate the arrival of European settlers in North America. First Nations across Turtle Island have traditions of thanksgiving for surviving winter and for receiving crops and game as a reward for their hard work. These traditions may include feasting, prayer, dance, potlatch, and other ceremonies, depending on the peoples giving thanks... As the story goes, in 1578, English explorer Martin Frobisher and his crew gave thanks and communion was observed, either on land at Frobisher Bay, in present day Nunavut, or onboard a ship anchored there.

The explorers dined on salt beef, biscuits, and mushy peas and gave thanks through Communion for their safe arrival in then Newfoundland.

This is now accepted as the first "Canadian" Thanksgiving, forty-three years before the first "American" Thanksgiving. Today Canadian Thanksgiving is held on the second Monday of October every year, or at least it has been since Canadian Parliament declared it so on January 31, 1957. Before this, Thanksgiving in Canada had been held sporadically, often coinciding with other major events and anniversaries." <https://www.canadahistory.ca/explore/arts-culture-society/the-history-of-thanksgiving-in-canada>

Some of the 75 delegates representing the South, Calgary, West Central and Northwest Regions) attending the 2023 Leader Learning Day in Claresholm, Alberta, hosted by the South Region.

This full day event featured information on 4-H Alberta, tips on having a successful 4-H year in 2023-2024, “new” features

This full day event featured information on 4-H Alberta, tips on having a successful 4-H year in 2023-2024, “new” features and deadlines for the 2023-2024 club year and multiple networking opportunities with Provincial Advisory Group Representatives and 4-H Alberta Staff. Leader feedback included, “I really appreciated that we had this connection available in our south region”. Delegates took home packages full of Club / Leader information, Social Media Guidelines, Scholarship and Program Information. CEO Kurt Kinnear delivered a positive message of membership status in 4-H Alberta as well as a reminder of the importance of Positive Leadership within our clubs.

The day started off with welcome messages from Andrea Hanson, South/Calgary Area Representative, 4-H Board of Directors, followed by a thought provoking workshop on Inclusivity and Diversity in the Workplace and Community with a feature discussion on Microaggression by Dr. Sinela Jurkova of the Calgary Catholic Immigration Society. Following a roast beef

dinner, Willow Creek Immigrant Services of Claresholm led a newcomer youth sharing circle, where newcomers shared their memories and thoughts on what it’s like to be new in rural Alberta. Leaders asked the youth and their parents how 4-H Alberta could serve them in their communities, providing some great insight on how to actively include newcomers in our community.

The 2023 Leader Learning Day hosted by the South Region was sponsored by PEMBINA and the Community Foundation of Lethbridge and Southwestern Alberta.
