Policy # 6.02	
Northeast 4-H Hosting Rotation *This rotation is designed to ensure that all districts are involved in the planning of regional events and to encourage interaction of members throughout the region.*	Approved January 10, 2026 **Review Date** November 2026

Northeast programs are on a district rotation basis for hosting annual events. All districts are expected to participate in the hosting of the events, and the regional council will, on an annual basis, try to ensure that equitable participation is managed.
